

This is an example of the minimum requirements for a **Justification Map** as stated in Information Bulletin 536:
Provide a community plan land use map or Official Zoning Map (8 1/2" by 11"). On the map, identify the search ring, alternative sites, the selected site, and all existing and approved telecommunication facilities within a one mile radius. Identify collocation opportunities within the search ring area.

Example Justification Map: Project Name (PTS XXXXX)

Legend

-  Search Ring
-  Selected Site
-  Alternative Sites

Existing and Approved Telecommunication Facilities

1. Sprint, 111 Treelined Ave. (PTS 11156)
2. Cingular, 225 Western Blvd. – *Colocation Opportunity* (PTS 45324)
